

**\*\*Semester Validation\*\***

After the semester's lectures end, the semester validation will be carried out.

Students are required to fill out their index on the 4th page for the validation of the summer semester. Students should list the courses they attended during the semester, and the respective professors will sign off on each course to confirm the fulfillment of obligations. If a student has differential exams from previous years, they should include them only if they are part of the summer semester. For two-semester courses, you should include them in winter and summer semester

Please pay attention which courses are in the summer and which in the winter semester.

By validating the semester, students earn the right to take exams.

During the validation of the second– summer semester, students must submit in the student office:  
(Information about the exact date will be provided later).

- A semester sheet
- Student book with signatures

**STUDENTS WHO HAVE NOT YET COLLECTED THEIR INDEXES ARE REQUESTED TO DO SO AT THE STUDENT SERVICES OFFICE ON WEEKDAYS FROM 9:00 AM TO 3:00 PM.**

Sincerely,

Student services
