The background features a dark red, textured surface, possibly a book cover or endpaper. On the right side, there is a faint, embossed coat of arms. The coat of arms consists of a shield with a blue border and a red field. The shield is divided into two main sections. The upper section is a smaller shield with a blue field, containing a red book and a red quill pen. The lower section is a larger shield with a red field, containing a blue and red caduceus (a staff with two snakes). Above the shield is a blue crown with gold accents. The text "VICI MDCCLXXII" is visible above the upper shield. The text "Radovi objavljени u naučnim časopisima na SC/SCI listi" is overlaid in white, serif font in the center of the image.
